Also Contains Non-Plant Food Ingredients

6% Glucose (microbe food)

Warranty

Manufacturer disclaims all warranties, expressed or implied, including but not limited to the warranty of merchantability or warranty of fitness for a particular purpose.

Hazard Classification

The product is not classified as hazardous in accordance with The Hazard Communication Standard (HCS) (29 CFR 1910.1200).

CAUTION: KEEP OUT OF REACH OF CHILDREN

Directions for Use:

HyperBio can be applied as a foliar application by a commercial sprayer or through an irrigation system.

Apply HyperBio at the following rates:

Row crops - 27.4 fluid oz. per acre
Specialty crops - 54.7 fluid oz. per acre
Hydroponics - 0.18 - 0.36 pint / gallon

For crop specific application information, refer to application methods, rates & frequency table provided by your product representative. Shake well before using.

This product can be used for hemp production.

Storage:

Do not contaminate water, food, or feed by storage or disposal. Do not reuse empty container. Store in a cool place out of direct sunlight. Dispose of empty container in a sanitary landfill or in accordance with federal, state and local environmental control regulations.
