# Yield Topper OT™

## 0-0-1

### Guaranteed Analysis

Soluble Potash (K<sub>2</sub>O) ..... 1%

Derived from: Pellitized chicken litter

**This product is not meant as a complete fertilizer and must be used in conjunction with a complete nutrient system.**

### Directions for Use

Can be applied as an in-furrow or foliar application. We recommend applying at a rate of 1 to 2 gallons per acre.

Yield Topper OT may not be compatible with all fertilizer mixes and / or pesticides on the market. Always check compatibility with other products prior to use. In case of contact with eyes, flush with plenty of water for 15 minutes.

**CAUTION: Keep out of reach of children**

### Storage:

Do not contaminate water, food, or feed by storage or disposal. Do not reuse empty container. Store in a cool place out of direct sunlight. Dispose of empty container in a sanitary landfill or in accordance with federal, state and local environmental control regulations.

Information regarding the contents and levels of metals in this product is available on the internet at:  
<http://www.aapfco.org/metals.htm>.

### Health and Safety Information:

Can be irritating if contact occurs with eyes or skin, or if product is ingested or inhaled. If contact with eyes or skin happens, flush with water immediately. If ingestion occurs, drink copious amounts of water. If inhaled, move to an area with fresh air. If necessary, seek medical attention immediately.

### Warranty

Manufacturer disclaims all warranties, expressed or implied, including but not limited to the warranty of merchantability or warranty of fitness for a particular purpose.
